

# SECONDHAND UNIFORM SHOP (SHUS)

The Second-hand Uniform Shop (SHUS) provides a means for parents to buy good condition second-hand Wychwood School uniform which has either been outgrown or unclaimed from lost property. Items may be donated, so that the school receives 100% of the sale price or sold on the behalf of a parent who will receive 60% of the sale price.

The SHUS is run by a team of volunteers and is open on the last Friday of every month **(4.00pm – 5.00pm)** during term time. The shop is well signposted on entering the grounds.

## Getting involved

If you have a few spare hours we would love some help in the shop. This involves, at most, 2-3 hours a term working in a friendly environment with one other volunteer helper – please contact us.

## How to sell your second hand uniform

We accept outgrown, good condition, school regulation uniform. If you have articles you wish to sell please bring them to SHUS laundered or dry cleaned and labelled with the name and address of the person to whom any payment should be made. We have a pricing schedule, and at the end of the summer, send 60% of the proceeds to the person named on the price label. Articles remaining unsold after two years are disposed of and we use our discretion as to what will sell.
