Sunday 18th March

All day HABS MUN

Upcoming Events

Wingfield Digby Lecture: Thinking like a Vegetable: How Plants Decide What To Do

Tuesday 13th March, 7.00pm for 7.30pm
Old Girl Dame Ottoline Leyser, Professor of Plant Development at the University of Cambridge and Director of the Sainsbury Laboratory, will be giving the latest Lecture.

It is easy to assume that plants don't do much, and many expressions for inactivity involve plant metaphors, such as the couch potato. However plants, including potatoes, are as busy of the rest of us, assessing their surroundings and changing their activity accordingly.....

Grimm Tales

Thursday 15th March, 7.00pm for 7.30pm
Parents, grandparents and guardians are invited to watch our school production of Grimm Tales, a one act performance adapted by Carol Ann Duffy.
