

Wychwood Weekly
18th October 2018

Wychwood School

As part of our celebrations of National Science Week, the girls took part in a big Lego build!

Notices / Reminders

All parents: If you have not completed the [annual consent form](#) or [medical form](#) for 2018-19, please go online and complete it by the end of half term **as a matter of urgency**.

All parents: Please join Mrs Johnson for coffee and a croissant on Wednesday 14th November at 8.30am. All parents and guardians are welcome. To help with numbers for catering, please email m.holland@wychwoodscool.org if you would like to join us.

All parents: The AGM of the FoW is on Tuesday 30th October at 7.00pm in the music room. It will be followed by a regular committee meeting. You are all invited, please do come! The FoW exists to help build the community of the school and to raise extra money to fund all sorts of projects for our girls. The more of us involved, the more successful we will be.

The agenda is above but if you would like to raise additional items for us all to discuss, please email chairfow@wychwoodschoo.org by 26th October.

Next Week's Calendar

Thought for the Week: Hell is full of good intentions

Habits of Mind: Applying past knowledge to new situations

Monday 29th October

8.25am Day girls return

Upcoming Events

Wychwood Sixth Open Evening

Thursday 1st November, 6.30pm

For girls in Upper Transits and Shell and their parents to talk to teachers about A Level and BTEC choices and current Study students about what each subject is really like!

Wychwood Remembers

Thursday 8th November, 6.30pm for 7.00pm

Over the last four years Wychwood has followed the history of the last century and we will end with a commemoration of the Armistice – possibly the most important cease fire of all time. Join us for an evening of poetry and recitals in remembrance of the end of the Great War.

Wingfield Digby Lecture: From Driverless Cars to Mars: AI, Information Engineering and the Abject Excellence of Robotics

Tuesday 13th November, 7.00pm

The machines are coming and it is going to be good. But what makes bland engineered artefacts (aka robots) smart? Professor Newman will answer this question and more!
