Notices / Reminders

All parents: There will be a dress rehearsal for all girls performing in Wychwood Remembers on Wednesday 7th November, 4.15pm – 7.15pm.

All parents: Please [sign up for the Gingerbread Ice-Off competition](#). The deadline is tomorrow and the kits will be given out on Friday 23rd November.

All parents: If buying Christmas presents online, please use EasyFundraising to help us raise money for the school. Go to www.easyfundraising.org.uk/causes/wychwoodscool/ to find out more and register.

All parents: The FoW's focus is now firmly on the Christmas Fair. This week our plea is for small presents for the Lucky Dip stall, a firm favourite, so we need LOTS of small wrapped presents of about £1/1.50 in value. Please mark anything specifically for girls with a 'F' and for boys with a 'M'. Things that work for either, just leave unmarked. As ever, these can be left in the box in the school office along with any bottles and jambolas.

Tomorrow, girls will be bringing home raffle tickets to sell. Parents of boarders can add the cost of the tickets to their bill. There will be a prize for the girl who sells the most tickets!

Lower Transits: Please [complete the online reply form](#) for the trip to the London Science Museum on Monday 19th November.

Lower Transits: Please note there is no Duke of Edinburgh Award practice expedition this weekend.

Upper Transits and Shell: Don't forget it is the Wychwood Sixth Open Evening tonight at 6.30pm.

Shell: The deadline to apply for a 16+ scholarship for your daughter is Monday 5th November. You can apply online at wychwoodschool.org/news/shell-16-scholarships-2019/

Upcoming Events

Wychwood Remembers

Thursday 8th November, 6.30pm for 7.00pm
Over the last four years Wychwood has followed the history of the last century and we will end with a commemoration of the Armistice – possibly the most important cease fire of all time. Join us for an evening of poetry and recitals in remembrance of the end of the Great War.

Wingfield Digby Lecture: From Driverless Cars to Mars: AI, Information Engineering and the Abject Excellence of Robotics

Tuesday 13th November, 7.00pm

The machines are coming and it is going to be good. But what makes bland engineered artefacts (aka robots) smart? Professor Newman will answer this question and more!
