Author: IW

Reviewed: November 2018

Date of next Review: November 2020

This policy applies to **all evacuations of pupils and staff due to fire alarms discharging in term time** with effect from November 2018. This is whether the fire alarm has been set as part of a termly fire evacuation practice, or due to a genuine incident or is due to a malfunction of the fire warning system.

During the school day (08:15 to 16:00 Monday to Friday)

- All girls must be registered in school.
- Girls attending prep or activities are to congregate on Sir John's lawn or the footpath on Bardwell Road into form groupings.
- The Office assistant (or another member of administrative staff if she is not in school) will distribute daily registers to each form group so that they can confirm the presence of their girls.
- The Head and other senior members of staff will confirm the presence of members of staff.
- If the alarm sounds during lunch, break or between lessons, the previous location list is to be used.
- All pupils and staff should remain in silence until dismissed by the Head, the Deputy Head or the Bursar.
- Following the fire evacuation, all paperwork will be returned to the Bursar.

- If the alarm sounds during the break between prep/activity, the previous location list is to be used.

Staff and pupils doing extra studies during school holidays

- Staff are to ensure that they and their pupils are signed in and out with the school office. The member of staff responsible for the activity is to provide the list of staff and pupils names for all fire alarm procedures.

- Go as directed to Sir John's lawn or the footpath in Bardwell Road.
- Have possession of all registers / signing out books / fire lists and absence lists.

- Summary lists and reports will be stored in the Fire logbook in the Bursar's office.
- The administrative assistant is responsible for forwarding all completed lists to the Bursar and preparing the clipboards for the next evacuation.
