Notices / Reminders

All parents: Labour Policy towards the Independent Sector:

Many of you will be aware of the Labour party's conference proposal to abolish the independent sector of education which attacks parents' fundamental right to choose the most appropriate education for their children. Wychwood belongs to the Independent Schools Council (ISC) who are preparing a sector-wide co-ordinated response. We also belong to the Girls Schools Association (GSA) and the Boarding Schools Association (BSA) who endorse this approach.

Please read the ISC's response above and, if you felt able to, I would be most grateful if you could write in support of the independent sector to Layla Moran, the MP for Wychwood's constituency and the Liberal Democrats Education spokesperson. There is a template letter from the ISC attached but, of course, please feel free to express your own views. Layla's address is on the template letter and, for your information, she has agreed to present the prizes at Celebration Day this year on October 24th. With my thanks, Andrea.

Next School Week's Calendar

Thought for the Week: All animals are equal but some animals are more equal than others

Habits of Mind: Gather data through all your senses
