### Wingfield Digby Lecture: Is it right to feel wronged? given by Michael Ramsden

Wednesday 5<sup>th</sup> November, 7.00pm for 7.30pm

In our pursuit of freedom and pleasure, we often end up victimising ourselves in the process. At the same time, we often cry out for justice as we experience pain and disappointment on our life's journey. Someone has made the remark that the only better thing than feeling right, is feeling wronged. How do we find true peace and reconciliation in a world that feels it is increasingly angry at the injustices it sees?
