

A special evening to support the Modern Slavery Helpline

The Anti Slavery Initiative Oxford - ASIOX is hosting an event to support Unseen in raising funds to keep the UK Modern Slavery Helpline open. It is the only independent, confidential, 24/7 specialist hotline for anyone wanting to seek help or report modern slavery. It has indicated over 15,000 potential victims, including many British nationals. Without urgent funding, the Helpline will close on 30 November.

Please join us for a drinks reception, canapes and live music, an excerpt from 'Bound', a physical theatre performance, a talk from Unseen with Q&A, a raffle and more!
