ST KATHARINE

### St Helen and St Katharine Photography Competition: plastic

Take lots of photographs of anything to do with plastic that interests you, it could be how we use it practically every day, dispose of it without thought, in an abstract way, narrative, documentary, political and many, many more...

Select just one image, the very best, to send to us. We will print it onto photographic paper and display it as part of an exhibition of young photographers' work early next year at School.

- There will be three age categories: under 12s, 12–15 year olds and 16–18 year olds
- We can only accept digital images
- Images should be no smaller than 1MB and no larger than 5MB
- Images should be jpeg files
- Submit just one image (your very best!)
- Images should be submitted by 4pm on Wednesday 22 January 2020
- Make sure that your name, age and form are submitted with your photograph

Prize winners will take part in a photography masterclass (at St Helen's) with [Christopher Baines](#) and all submitted work will be exhibited in a show in the Long Gallery on Wednesday 29 January 2020.

Please send your photograph to [creativepartnerships@shsk.org.uk](mailto:creativepartnerships@shsk.org.uk) with the subject 'Photography Competition'.
