

Wychwood School

Admissions Procedure – Advice to Parents

Author: MJH, AKJ

Reviewed: November 2019

Date of Next Review: November 2020

The first stage is to visit the school, ideally before the end of the Trinity Term (prior to the September year of entry). You can attend one of our open mornings, held four times a year, or have an individual appointment to meet the Head.

The next stage is to register your daughter to apply for a place by completing the Application for Entry form and returning it to the Admissions Office, together with a non-returnable Registration Fee of £90 for UK residents, or £150 for overseas residents.

Girls are then invited to take part in entrance tests. These are used, not as pass or fail tests, but to ensure that the individual girl has the capacity to benefit from a Wychwood education.

For Year 7:

Your daughter will spend the day with us. She will be tested in English and mathematics in the morning and spend the rest of the day having a taste of life at Wychwood School.

Entrance tests take place in the November, prior to the September year of entry. If parents miss the November entrance test day, tests can be taken at other times by arrangement with the Marketing and Admissions Manager

Other Years (Years 8-10):

Your daughter will spend the morning with us being tested in English and mathematics. You may also request for her to join her year group for a taster day or part-day at a mutually convenient time.

Entrance tests take place in the November, prior to the September year of entry.

Wychwood Sixth (Year 12)

Your daughter will be tested in three of her chosen A Level or BTEC subjects. For external entry into Wychwood Sixth (Sixth Form) there is a minimum requirement of 6 GCSE passes at grade 9-4 with 9-6 in the student's chosen A Level or BTEC subjects. Your daughter may also request to join her year group for a taster day or part-day at a mutually convenient time.

Entrance tests take place in the November, prior to the September year of entry.

A critical part of the entrance procedure across all years is an up-to-date school report. You should arrange with your daughter's current school to send her latest school report to Wychwood, again ideally before the entrance tests.

Every student is also interviewed by the Head. This informal interview is an integral part of the admissions procedure.

We will offer places on the basis of the entrance tests, interview and school report. To accept the offer we ask for a completed Acceptance Form and payment of a deposit.
