A level Results 2020 - 13th August 2020

We congratulate the Study II (Year 13) in Wychwood Sixth on their hard work and strong academic performances in unprecedented circumstances, resulting in an excellent 36 % A* grades, 58 % A*A grades and 84 % A*AB grades. They have undertaken an individual and sometimes eclectic variety of subject combinations over some 23 subjects offered and have embraced the EPQ with excellent results of 50 % A* and 100 % A*A grades. The introduction of the BTEC has demonstrated strengths in continuous assessment alongside training the ability to succeed in terminal examinations, although we are sad that the girls were denied the opportunity to prove themselves in this way.
