

Wychwood School
OXFORD

Dear Parents and Guardians,

Wychwood School Careers Fair - Saturday 18th September 2021 (10 am – 12 pm)

A career is a journey and at Wychwood School we work hard to ensure that all the pupils are given the tools and the knowledge to help make the right decisions and guide them on their career path. The Careers fair will not only inspire, but also enable the pupils to make informed choices about their future career options.

The morning starts at 10:00 am and there will be an hour to ask questions about different careers. A variety of careers will be represented, including: engineering, finance and accounting, occupational health, climate change and sustainability and Army apprenticeships. At 11:00, two visiting speakers will talk about their career journeys. After the talks there will be another opportunity to ask more questions until 12:00. All girls are expected to attend and parents and guardians are also very welcome.

The morning promises to be a wonderful opportunity to ask questions from 'What do you do?' to 'How did you get there?' and 'Why do you enjoy your job?' In addition, the girls will also develop their communication and interpersonal skills.

We look forward to seeing you all in the school hall at 10:00 am on Saturday 18th September. If you cannot attend, please could you send an email. Thank you.

Yours faithfully,

Tanya Jarrett
