ALL Remove & Inters: Introduction to Touch Rugby

Dear Parents,

On Tuesday 5th October we are co-hosting an introduction to touch rugby in partnership with Oxford Harlequins RFC.

All of the Remove and Inters will be taking part in a day of touch rugby coaching, followed by a tournament. It will take place at Oxford Harlequins RFC, Horspath Rd, Oxford OX4 2RR. Pupils from some of our partner prep schools in Y6, 7 and 8 will also be attending.

To celebrate the day we are excited to be welcoming two special guests to Wychwood:

Jane Leonard: Former England 7s & 15s & Army Rugby Player turned rower. She is part of the team that has just completed the Great Pacific Race in a World Record time of 60 days!

Gemma Rowland: Welsh Rugby 7s & 15s International, Wasps Women & British Army Officer

They will be talking to the school in the morning during assembly and then assisting with the day of coaching.

Please can all pupils in Remove and Inters come to school in their PE kit on Tuesday 5th October. I would recommend that they wear their PE waterproof jacket as the event will take place outside. Please can they wear trainers to school but bring studs to change into (if they have them). They must also wear their long green hockey socks and bring a water bottle. Lunch will be provided.

Students will attend lessons as normal up until break time and then we will depart for the rugby club. They will be off timetable for the rest of the day with the tournament ending at 3.30pm.

You are welcome to collect your child directly from Oxford Harlequins RFC at 3.30pm. However, if you wish to do this please let me know via email (f.centamore@wychwoodschool.org) by Monday 20th September. Otherwise, we shall be back at school for 4.15pm.

We hope this will be an exciting and inspiring day for all who take part!

Miss Centamore
Director of Sport
